

**Ms. Alice Santoro**  
**Montgomery College**

"I believe all community members should feel valued, supported and prepared to succeed. The team at Cornerstone Montgomery has shown through a commitment to providing comprehensive behavioral health services that they too believe this and are working to make this a reality. I am extremely honored to be able to support this work."

Ms. Santoro is an associate dean of student affairs at Montgomery College where she chairs the campus behavioral intervention team and assists students in crisis. She has 24 years of experience in higher education, affording her a diverse professional background in the areas of public safety, emergency preparedness, academic advising, counseling and teaching. Ms. Santoro is a Licensed Clinical Professional Counselor (LCPC) and works part-time as a mobile crisis clinician in Anne Arundel County. She has also supported community members by serving as a psychiatric rehabilitation aide in Baltimore City and Anne Arundel County.
