

Leslie Kux
U.S. Food and Drug Administration (Retired)

Leslie Kux joined the Cornerstone Board in 2023. She has lived in the DMV since the 1970s and in Montgomery County since 1999. She is a cancer survivor who has experience with mental health challenges. She supports Cornerstone's mission knowing that the services and support Cornerstone's staff provide make a real difference. She served for 34 years at the Food and Drug Administration. Leslie started as an attorney in their legal department for 18 years then moved into senior management positions as Deputy Director of the Office of Compliance in the Center for Biologics Evaluation and Research, as Associate Commissioner for Policy in Office of the Commissioner, and as Deputy Center Director in the Center for Food Safety and Applied Nutrition. Leslie is also on the board of the FDA Alumni Association and volunteers with Hope Connections for Cancer Support.
