

Natasha Louis

Natasha Louis is a Southern Maryland native and has 8 years of experience directly working in customer service and human services. They have a diverse professional background from serving the public to providing auxiliary support in multiple roles. Natasha is a proud member of the Residential and Vocational Programs at Cornerstone Montgomery, due to this, they have a passion for serving and supporting the Cornerstone community. Serving on the board allows Natasha to uplift fellow Cornerstone members and engage in the improvement of the organization. When Natasha is not serving the Cornerstone community, they are engaging creative pursuits and exploring the community.
